Northern Kentucky Skating Club

Message from the President

Dear Members of the Northern Kentucky Skating Family,

Another fall and another school year are upon us. Hopefully everyone had a great and productive summer. The Board is already working hard to make this another fun year in our skating community. I don't know if we can top the successes of last year, but we will try.

Since everyone had such a good time last year, we are doing it again. Blues, Brews and Southern Food Part 2 is going to be on November 8th at St. Joseph's Catholic Church in Crescent Springs. Be sure to mark your calendars. We hope everyone will be able to come to what promises to be an incredibly fun evening that will benefit both the figure skaters and the hockey players. Watch your mail for invitations and look for more information in this newsletter.

With fall already here Christmas is just around the corner. Once again the Club is sponsoring the Skaters for Kids exhibition on December 6th at 6PM. For those new to our Club, every year we put on a holiday show to benefit a children's charity in Northern Kentucky where the admission price is a toy or a cash donation. More information and sign ups will be coming soon.

This leads me to the next piece of information I would like to pass along and that is where to find out what's going on. Our Club uses four venues to pass along information to its members. They are the newsletter, the bulletin board, club wide e-mails and the website, NKYSC.com. Be sure to check them out.

Lastly, I would like to congratulate the skaters who went to Regionals on their accomplishments. Good luck to Alexandra, Andy, Christina and Nathan at the upcoming Sectionals competition.

As always the Board welcomes your input or questions either at a meeting or to one of us directly. Our next two meetings are November 14th and December 3rd in the Donato's Pizza Group Room located on Dixie Highway in Crestview Hills.

Hope to see you at the next Club Ice,
Clare Richart

Skaters for Kids 2008 - Holiday Charity Exhibition

The Northern Kentucky Skating Club is pleased to announce the theme for our annual **Skaters for Kids** holiday charity exhibition: "Holiday Seasons on Ice"

The Show is scheduled for Saturday, December 6 from 6 to 8 p.m. This year's holiday show will once again benefit the children of Lincoln Elementary School in Dayton, Kentucky.

Last year, we were able to present an estimated \$3000 worth of cash and toys to the children of Lincoln Elementary and they were overwhelmed by our generosity. This year, we hope to surpass last year's amounts. Please mark your calendar now for this special date and plan to participate and volunteer for this worthy cause.
